Terms and Conditions of Seat Sponsorship • Only seats not already sponsored by another donor may be sponsored. London Theatre and Cabaret Workshop Ltd reserves the right to make an offer of alternative seats should your first preference seat(s) not be available. • Sponsored seats shall be allocated on a first come first served basis, according to availability. • Sponsoring a particular seat does not affect the way that seat is normally sold to the public for performances, and sponsorship does not entitle the sponsor to entry to any events unless otherwise agreed. • When you are booking events we will make every endeavour to ensure you can sit in the seat you have sponsored, however if this is not prearranged we cannot guarantee availability • The wording of your dedication to appear on the plaque must be within the limits of letters described on the application form. • London Theatre and Cabaret Workshop Ltd reserves the right to ask you to re-word your dedication if it is too long. • Dedication messages may not carry messages that might be judged offensive, or tend to lower the reputation of London Theatre Workshop, and London Theatre Workshop retains sole discretion on such matters. • Once a dedication message is agreed, the donation becomes non-refundable. • Donations from this scheme will be used to improve London Theatre Workshop.
